## **ALLEGATIONS OF FACT**

12. Heights Tower is in the business of servicing towers--such as cellular towers and silos. As such, its employees travel to the locations where its clients' towers are located and perform functions such as tower upgrades, maintenance, and installation of equipment.

**ANSWER:** Defendants admit the allegations contained within Paragraph 12 of Plaintiffs' Complaint, that Defendant HTS is in the business of servicing cellular and other communication towers and that its employees travel to locations where its clients' towers are located to perform functions such as tower upgrades, maintenance, and installation of equipment.

13. Upon information and belief, Heights Tower has approximately 100 employees who are responsible for servicing towers.

**ANSWER:** Defendants deny the allegations contained within Paragraph 13 of Plaintiffs' Complaint that at all material times Defendant HTS employs 100 employees responsible for servicing towers.

14. The non-compliant practices as alleged herein were part of a practice and policy common to a group or "class" of past and present employees. Those past and present employees are entitled to receive Notice of these proceedings and afforded opportunity to join their individual claims.

**ANSWER:** Defendants deny the allegations contained within Paragraph 14 of Plaintiffs' Complaint wherein it is alleged that Defendants engaged in any non-compliant practices, that Plaintiffs are a group or "class" of past or present HTS employees entitled to Notice of these proceedings and afforded an opportunity to join any claims and further answering Defendants expressly deny all other allegations contained within Paragraph 14 of the Complaint and also aver that Defendants at all times complied with the FLSA, 29 U.S.C. § 201 *et seq.*, and the IWPCA, 820 ILCS § 115/1 *et seq.* Defendants also lack sufficient information and belief to admit or deny Plaintiffs' allegations concerning unidentified individuals who have not joined in the action.

15. During the course of Plaintiffs' employment, Defendants directed Plaintiff to work in excess of forty (40) hours in individual work weeks and Plaintiff did customarily work in excess of forty (40) hours in individual work weeks. Plaintiff was not compensated one and one-half times his regular hourly rate of pay for all time worked in excess of forty (40) hours in individual work weeks.

**ANSWER:** Defendants deny the allegations contained within Paragraph 15 of Plaintiffs' Complaint, wherein it is alleged that at times during the course of any employment, Defendants directed Plaintiffs to work in excess of forty (40) hours in any individual work week, that Plaintiffs customarily worked in excess of forty (40) hours in any individual work week, and deny that Plaintiff was not compensated one and one-half times his regular hourly rate of pay for all time worked in excess of forty (40) hours in any individual work weeks. Answering further, Defendants lack sufficient information and belief to admit or deny any other of Plaintiffs' allegations concerning unidentified individuals who have not joined in the action and all other allegations contained within Paragraph 15 of the Complaint.

16. Other non-exempt similarly situated employees, likewise, were directed to work in excess of forty (40) hours in individual work weeks by Defendants and did work in excess of forty (40) hours in individual work weeks but were not paid one and one-half times their regular hourly rate of pay for all time worked in excess of forty (40) hours in individual work weeks.

**ANSWER:** Defendants deny the allegations contained within Paragraph 16 of Plaintiffs' Complaint wherein it is alleged that other, non-exempt similarly situated employees of Defendant HTS worked in excess of forty (40) hours in any individual work week, that Plaintiffs customarily worked in excess of forty (40) hours in any individual work week, and deny that such persons were not compensated one and one-half times her/his regular hourly rate of pay for all time worked in excess of forty (40) hours in any individual work weeks. Answering further, Defendants lack sufficient information and belief to admit or deny any other of Plaintiffs' allegations concerning unidentified individuals who have not joined in the action and all other allegations contained within Paragraph 16 of the Complaint.

17. The specific practice complained of here relates to Defendants' failure to pay overtime to Plaintiff and other similarly situated employees for those hours constituting "Drive

Time”, as discussed in greater detailed below. Defendants in fact would pay Plaintiffs overtime compensation but would exclude the time spent during “Drive Time” in computing overtime hours.

**ANSWER:** Defendants deny that they failed to pay overtime to Plaintiffs or any other persons similarly situated for any hours designated as “Drive Time,” deny that Defendants would Pay Plaintiffs overtime compensation but would exclude the time spent as “Drive Time” in computing overtime hours, and further answering Defendants deny all other allegations contained within Paragraph 17 of Plaintiffs’ Complaint for lack of knowledge and information sufficient to form a belief as to the truth of those allegations.

18. Heights Tower typically serviced towers that were located in other states. Plaintiffs would arrive before driving out of state, at Height Tower’s office/warehouse (herein, referred to as “Point A”) early in the morning and begin their day.

**ANSWER:** Defendants admit that towers in other states have been serviced by HTS, from time to time, that on occasion (but not always) and for such purposes Plaintiffs would meet at the HTS warehouse (“Point A”), but further answering deny or deny for lack of knowledge and information sufficient to form a belief as to the truth thereof those allegations contained within Paragraph 18 of Plaintiffs’ Complaint.

19. The work done at Point A was substantial and the Plaintiffs were compensated for it. Typical work at Point A involved cleaning trucks, figuring out what materials were needed for the upcoming work, transferring parts, and selecting inventory.

**ANSWER:** Defendants deny or deny for lack of knowledge and information sufficient to form a belief as to the truth thereof that any work performed at Point A ever was substantial and further answering deny all other allegations contained within Paragraph 19 of Plaintiffs’ Complaint.

20. Once the Plaintiffs would leave Point A, they would drive to their next location of the day which was typically a location in another state (often Racine, Wisconsin or Milwaukee,

Wisconsin) where a warehouse was located. (herein, referred to as “Point B”) At Point B, the Plaintiffs would typically pick up more parts that were needed for their tower jobs.

**ANSWER:** Defendants deny or deny for lack of knowledge and information sufficient to form a belief as to the truth thereof those allegations contained within Paragraph 20 of Plaintiffs’ Complaint, wherein it is alleged that once Plaintiffs would depart from Point A, they would drive to a next location, a/k/a Point B, at which location they would typically pick up more parts needed for any job.

21. From Point B, the employees would then drive to the location where the towers were located (herein, referred to as “Point C”).

**ANSWER:** Defendants deny or deny for lack of knowledge and information sufficient to form a belief as to the truth thereof those allegations contained within Paragraph 21 of Plaintiffs’ Complaint wherein it is alleged that at all material times, once Plaintiffs would depart from Point B, they would drive to a next location, a/k/a Point C.

22. The time spent driving between “Point A”, “Point B”, and “Point C” was referred to as “Drive Time”. Drive time earned a reduced compensation than the regular wages earned by the Plaintiffs. For example, Plaintiff Pietrzycki earned \$23.00 for regular hours but only \$10.00 per hour for Drive Time.

**ANSWER:** Defendants admit that, for certain payroll purposes, the time spent driving between Points A, B, and C was referred to as “Drive Time” but further answering expressly deny that Drive Time reduced Plaintiffs’ compensation and further answering expressly deny all other allegations contained within Paragraph 22 of the Complaint.

23. In computing whether overtime hours were owed, the Defendants would not count Drive Time hours. For example, Plaintiff Pietrzycki’s paystub for the week of May 17, 2014 shows that he worked 39.50 hours of regular time and 6.5 hours of Drive Time. He was not paid any overtime for this week.

**ANSWER:** Defendants expressly deny those allegations contained within Paragraph 23 of Plaintiffs' Complaint, wherein it is alleged that in computing whether any overtime hours were owed, Defendants would not count Drive Time hours and further answering deny all other allegations contained within Paragraph 23 of the Complaint.

24. At all times relevant, Defendants maintained an employee handbook that was distributed to all employees upon being hired. Page 12 of this Handbook sets forth that which Plaintiff and other similarly situated employee were supposed to receive regarding overtime wages. Specifically, the Handbook states: "Non-exempt employees who perform overtime work will be paid one-and-one-half times (1.5x) their regular rate of pay for every hour worked over forty (40) hours in a seven (7) day workweek."

**ANSWER:** Defendants admit that, at material times, Defendant HTS maintained an employee handbook which was distributed to all HTS employees, that p.12 of that handbook addresses overtime compensation, that in certain part the handbook states: "Non-exempt employees who perform overtime work will be paid one-and-one-half times (1.5x) their regular rate of pay for every hour worked over forty (40) hours in a seven (7) day work week," but, further answering, Defendants deny all other allegations contained within Paragraph 24 of the Complaint.

### **COLLECTIVE ALLEGATIONS**

25. Plaintiff seeks to prosecute his FLSA claim as a collective on behalf of employees who worked for Defendants and performed maintenance on towers as employees within the past three years preceding this lawsuit to the day of trial and elect to opt-in to this action pursuant to 29 U.S.C. § 216(b) and who worked in excess of forty (40) hours during one or more weeks but were not paid lawful wages and overtime compensation for all such time.

**ANSWER:** Regarding the allegations in Paragraph 25 of Plaintiffs' Complaint, Defendants admit that Plaintiffs purports to bring the Complaint under the FLSA on behalf of himself and others. Except as expressly admitted, Defendants deny all other allegations of Paragraph 25 of Plaintiffs' Complaint and incorporate, fully as if rewritten here, all other factual and legal defenses.

26. Plaintiff and those similarly situated were entitled to an overtime rate of pay equal to time and one-half wages for overtime hours worked.

**ANSWER:** Defendants admit allegations contained within Paragraph 26 of Plaintiffs' Complaint wherein it is alleged Plaintiffs and other current and former employees of HTS were entitled to an overtime rate of pay for all overtime hours worked but, further answering, expressly deny any violation of law and expressly deny all claims and causes of action.

27. In the course of employment with Defendant, Plaintiff and the other current and former employees similarly situated were not paid their overtime rate of pay for all overtime hours worked.

**ANSWER:** Defendants deny the allegations in Paragraph 27 of Plaintiffs' Complaint wherein it is alleged that in the course of their employment with Defendant, Plaintiffs and other current and former employees similarly situated were not paid their overtime rate of pay for all overtime hours worked.

28. There are estimated to be over 100 current and former employees within the asserted class for this collective action during the material time who are similarly situated to Plaintiff. With such numbers of similar claims for unpaid overtime compensation, a collective action is a superior procedure for adjudicating such claims. Plaintiff requests that the Court authorize and supervise notice to the members of the asserted classes so that all claims may be resolved efficiently in a single proceeding.

**ANSWER:** Defendants deny or deny for lack of knowledge and information sufficient to form a belief as to the truth thereof those allegations contained within Paragraph 28 of Plaintiffs' Complaint wherein it is alleged there are over 100 current and former employees within any asserted class during the material time(s) who are similarly situated to Plaintiffs, deny that a collective action is superior procedure for adjudication of any alleged claims, and Defendants deny that this case is appropriate to be maintained as a collective action under 29 U.S.C. § 216(b). Answering further, Defendants lack sufficient information and belief to admit or deny Plaintiffs' allegations concerning unidentified individuals who have not

joined in the action, and, on that basis, deny all other material allegations in Paragraph 28 of Plaintiffs' Complaint.

29. The records, if any, should be in the custody or control of Defendants concerning the members of the asserted collective, the number of hours actually worked by Plaintiff and all other similarly situated employees, and the compensation actually paid, or not paid, to such employees.

**ANSWER:** Defendants admit that Defendant Heights Tower Service, Inc., maintains certain business and payroll records concerning alleged members of the asserted class, the number of hours actually worked, and the compensation paid, but further answering deny or deny for lack of knowledge and information sufficient to form a belief as to the truth thereof all other allegations contained within Paragraph 29 of Plaintiffs' Complaint.

30. Plaintiff will fairly and adequately protect the interests of each Class and has retained counsel that is experienced and competent in class/collective actions and employment litigation. Plaintiff has no interest that is contrary to, or in conflict with members of their respective collective.

**ANSWER:** Defendants deny or deny for lack of knowledge and information sufficient to form a belief as to the truth thereof those allegations contained within Paragraph 30 of Plaintiffs' Complaint wherein it is alleged that Plaintiffs will be fairly and adequately situated to protect any interests of any alleged class of persons, admit upon information and belief that Plaintiffs' counsel is capable, but further answering deny or deny for lack of knowledge all other allegations contained within Paragraph 30 of the Complaint.

**ANSWER:** Defendants admit that pursuant to 29 U.S.C § 207, for all time Plaintiffs and others similarly situated worked in excess of forty (40) hours in individual work weeks, they were entitled to be compensated at a rate of one and one-half times their regular hourly rate of pay but further answering Defendants expressly deny any violation(s) and expressly deny all other allegations contained within Paragraph 34 of Plaintiffs' Complaint. 36. The non-compliant practices as alleged herein were part of a practice and policy common to a group or "class" of past and present employees. Those past and present employees are entitled to receive Notice of these proceedings and afforded opportunity to join their individual claims.

**ANSWER:** Defendants deny any non-compliant practices, deny that they engaged in any pattern, practice or policy common to any group or class of persons of past or present employees, deny that any current or past employees are entitled to Notice and further answering deny all other allegations in Paragraph 36 of Plaintiffs' Complaint and answering further, Defendants aver that at all times they complied with the FLSA, 29 U.S.C. § 201 *et seq.* and the Illinois Wage Payment and Collection Act ("IWPCA"), 820 ILCS § 115/1 *et seq.*

compensated one and one-half times their regular hourly rate for all time worked in excess of forty (40) hours in individual work weeks and, further answering, deny all other allegations contained within Paragraph 37 of Plaintiffs' Complaint and answering further, Defendants aver that at all times they complied with the FLSA, 29 U.S.C. § 201 *et seq.* and the Illinois Wage Payment and Collection Act ("IWPCA"), 820 ILCS § 115/1 *et seq.*

38. Other non-exempt similarly situated employees, likewise, were directed to work in excess of forty (40) hours in individual work weeks by Defendants and did work in excess of forty (40) hours in individual work weeks but were not paid one and one-half times their regular hourly rate of pay for all time worked in excess of forty (40) hours in individual work weeks.

**ANSWER:** Defendants deny that there are any other non-exempt, similarly situated employees who likewise were directed to work in excess of forty (40) hours in individual work weeks who were not paid one and one-half times their regular hourly rate of pay for any overtime hours worked, deny all other allegations contained within Paragraph 38 of the Complaint and answering further, Defendants aver that at all times they complied with the FLSA, 29 U.S.C. § 201 *et seq.* and the Illinois Wage Payment and Collection Act ("IWPCA"), 820 ILCS § 115/1 *et seq.*

39. Specifically, Plaintiff and other similarly situated employees were not paid overtime for Drive Time, the time spent driving between the predetermined start point ("Point A"), the mid-location to obtained materials ("Point B"), and their final destination—the tower ("Point C").

**COUNT II**  
**Violation of the Illinois Wage Payment And Collection Act**  
**(Plaintiff Individually And On Behalf Of All Similarly Situated Employees—Against**  
**Defendants Height Towers And Motter)**

41. Plaintiffs hereby reallege and incorporate paragraphs 1 through 40 of this Complaint, as if fully set forth herein.

**ANSWER:** As to those allegations asserted within Paragraph 41 of Plaintiffs' Complaint, Defendants incorporate by reference all previous admissions, denials, and averments as if fully set forth herein.

42. The IWPCA, Section 2, defines wages as "any compensation owed to an employee by an employer pursuant to an employment contract or agreement between the 2

parties, . . . .” Payment to separated employees is termed “final compensation” and defined as “wages, salaries, earned commissions, earned bonuses . . . . and any other compensation owed the employee by the employer pursuant to an employment contract or agreement between the two parties.” 820 ILCS § 115/2.

**ANSWER:** Regarding the allegations in Paragraph 42 of Plaintiffs’ Complaint, Defendants admit the prescribed definition of “wages” and “final compensation” in the IWPCA, Section 2. Further answering, Defendants deny any violation of the statute and aver they complied with the IWPCA, 820 ILCS § 115/2.

43. At all times relevant there existed an agreement between Plaintiff and other similarly situated employees with defendants that Defendants would comply in all respects with pertinent state and federal wage and hour laws and that they would be paid overtime in accordance with the Defendants’ company handbook. Defendants breached that agreement in that Defendants’ compensation policies violate wage and hour provisions of both state and federal law and the company’s employee handbook.

**ANSWER:** Defendants admit that at relevant times there existed an agreement between Plaintiffs and Defendants and any others similarly situated that Defendants would comply in all respects with pertinent state and federal wage and hour laws, that overtime compensation would be properly calculated and paid but further answering deny all other allegations contained within Paragraph 43 of the Complaint and answering further, Defendants complied with the FLSA, 29 U.S.C. § 201 *et seq.*, and the IWPCA, 820 ILCS § 115/1 *et seq.*

44. At all times relevant, Defendants maintained an employee handbook that was distributed to all employees upon being hired. Page 12 of this Handbook sets forth that which Plaintiff and other similarly situated employee were supposed to receive regarding Overtime wages. Specifically, the Handbook states: “Non-exempt employees who perform overtime work

will be paid one-and-one-half times (1.5x) their regular rate of pay for every hour worked over forty (40) hours in a seven (7) day workweek."

**ANSWER:** Regarding the allegations in Paragraph 44 of Plaintiffs' Complaint, Defendants admit that Defendant HTS maintained an employee handbook that classified overtime compensation wages. Answering further, Defendants aver the employee handbook speaks for itself; and further answering deny or deny for lack of knowledge and information sufficient to form a belief as to the truth thereof all other allegations contained within Paragraph 44 of Plaintiffs' Complaint.

45. The IWPCA, Section 4 provides that every employer shall pay "[A]ll wages earned by any employee during a semi-monthly or bi-weekly pay period shall be paid to such employee not later than 13 days after the end of the pay period in which such wages were earned." 820 ILCS § 115/4.
